The Magic Factory®

Watch company promo video

The Magic Factory®

We are the largest manufacturer of Magic Boxes located in Thailand. Dutch owned and producing since 1961.

BSCI, BEPI and GSV Certified, the Factory is equipped with state-of-the-art machinery and production is done from raw material to finished product all under one roof.

Hanky Panky Magic Boxes are sold in over 40 countries and are available in twenty languages.

Everything
Under One Roof

Market Leader in Magic since 1961

- **Assortment**
  With a number of tricks ranging from 1 to 400, we have the value and magic content for all market places and price points.
- **Design**
  Our in-house design team can create your dream Magic Set.
- **Customized Packaging**
  Retailer options and sub brand names.
- **Broad range of price points**
  SRP-$4.99-$69.99
- **Ship from our own factory-Thailand**
  Vertical manufacturing and control.
- **Easy Communication**
  European Management, Sales team & Quality Assurance.

Our Commitment to Sustainability, Toy Safety & Ethical Trading

- **Sustainability**
  We use FSC Mix paper, Soy Ink for our offset printing and Water based glossy coating. We are continuously implementing new technologies and materials to reduce our impact on the environment.
- **Carbon Footprint**
  Reduced boxes sizes but still “great value for money”.
- **Toy Safety**
  We comply with all relevant toys safety standards.
- **Security**
  Member of Global Security Standard (GSV) Grade A.
- **Ethical Trading**
  Member of BSCI-Amfori Grade B.
- **CSR**
  We support the local Schools and children from our community. We organize and sponsor sport events as well as beach cleaning.

Why Magic?

It is a time-tested art-form:

- Magic is not a passing trend. Being introduced to magic immerses kids into an art-form that is centuries old.
- It's a classic performing art.
- It's enriching to a child's education and personal growth.
- Kids are hooked on exploration.

It improves motor skills.
It builds self-confidence.
It engages kids in a physical activity.
It promotes human interaction.
It makes you memorable.
It develops memory, logic, and critical thinking.
And most of all..... It’s Great FUN!

NIKOLA TESLA Presents SCIENCE MAGIC

This collection of scientific demonstrations was created by brilliant inventors. Using Artificial Intelligence combined with Tesla's writings and historical records, we were able to project his reaction and what he would say upon first seeing each of these incredible objects. May these magical demonstrations inspire you to see the world with new eyes and ignite the spark of curiosity that lies within each of us.
